West Course Notes

All greens, concrete cart paths (CCP) and water are out of bounds (OB).

All sandtraps (ST) and native grass areas (NG) are played as a hazard.

#1: ST hazard

#2: CCP and beyond OB. End of CONCRETE on left determines continued OB line toward green -- line up the flags

#3: Gold tee is from black golf tee box. Blue tee is from blue tee box; CCP and beyond right OB. If past end of CCP, lie is safe.

#4: CCP and beyond OB

#5: Creek and right OB; CCP beyond and left OB

#6: Water OB; if OB take drop from where it crossed OB. Right shoreline past marked tree is hazard including right side of dry creek bed.

#7: CCP and right OB

#9: CCP and right OB (Blue must clear path on first shot or played as hazard); NG is OB

#10: Sand trap is hazard

#12: Mando left of first poplar on right; drop zone left of mando with penalty if missed. Mando right of spruce on left of tunnel; drop zone right of mando with penalty if missed.

#13: Water is OB

#14: Concrete cart path and right is OB up until intersection of path and creek. Creek and right OB up to intersection of creek and path; left of intersection, path and creek OB but not beyond. For gold tee box drives that never cross in-bounds, proceed to blue tee box with stroke penalty.

#15: Mando right of spruce tree. Drop zone right of mando if missed. Natural grass is hazard.

#16: Natural grass is hazard; water OB.

#17: Natural grass is hazard; water OB.

#18: Water is OB; gold and blue share tee pad; is par 3 for gold and par 4 for blue

Course Rules:

- 1). No Smoking
- 2). No Outside Alcoholic Beverages
- 3.) No Trespassing
- 4.) No Swimming/Wading/Fishing
- 5.) Use the Available Bathrooms
