Course Rules

- This is an unsanctioned event; however, traditional PDGA rules will be followed.
- There are OBs and Hazards on the course.
- The perimeter fence always plays as traditional OB.
- The parking lot and all asphalt play as traditional OB.

If OB, proceed to your last point in bounds and throw with a one-stroke penalty.

(Remember: you may take up to one meter of relief off OB.)

- White poles on Holes 1 and 16 (up top) play as OB.
- On Hole 15, the fence plays as OB. Players proceed to the Drop Zone.
- Hole 18 fence and beyond is OB.
- If you are in a hazard, proceed from your current lie with a one-stroke penalty.
- White and orange flags mark hazards on Holes 1, 7, 9, 11, and 16.
- On Hole 7, short of the arroyo and the arroyo itself play as hazard.

Your lie must be past the end of the arroyo to be safe.

- On Hole 14, poles long play as hazard, and the fence left plays OB.
- The 2-meter rule is not in effect.
- The Santa Fe "Tree Rule" is in effect.

If you are in a tree and throwing from your lie would cause damage to you or the tree, you may take one meter of relief directly backward on your line of play.

- For players using the short tees:

If you do not want to throw from the tee pad surface, you may throw from directly behind

the tee pad.

Players may not throw from alongside the tee pad—only from behind it.

- A huge thank you to everyone for coming out and playing in the very first Winter Thaw Out at Jaguar Ridge!

If you have any questions, feel free to ask James Ryan or myself. Have fun!

Hole Breakdowns

- 1: Left side of white flags plays hazard. Right side past white poles up top plays OB.
- 2, 3, 4, 5, 6: N/A
- 7: Short of the arroyo plays hazard. The arroyo itself is hazard and marked by orange flags.

Your lie must be past the orange flags to be safe.
