WHAT

The New Nest Fling kicks off a season of league events on **Saturday 8. March at 10:00**, using our 3 new layouts at Adliswil Tal:

- Robin (beginner)
- Falcon (medium)
- Albatross (advanced)

DIVISIONS

Divisions are gender neutral. Players should select their division based on their ability from Rookie (easiest) to Advanced (hardest):

- Advanced

Played on the advanced (Albatross) layout

- Skilled

Played on the medium (Falcon) layout

- Rookie

Typically for juniors, seniors and first time players, played on the beginner (Robin) layout

LAYOUT TESTING

The main purpose of our first league event is to thoroughly test the new layouts. We therefore welcome as many players as possible to simulate a busy summer day in peak season. Your feedback will be much appreciated!

FORMAT

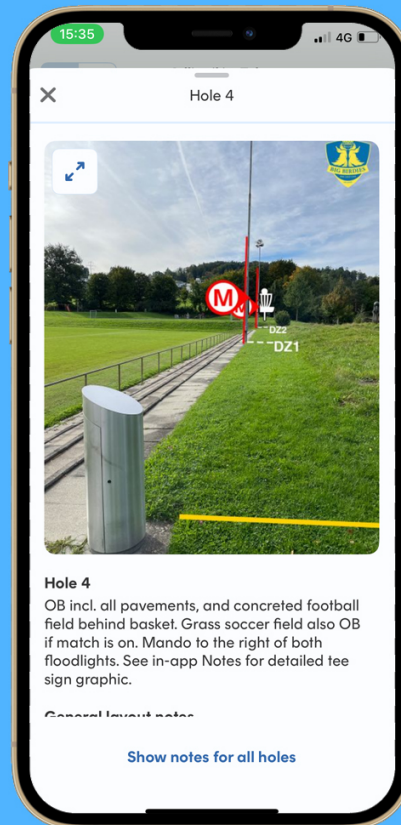

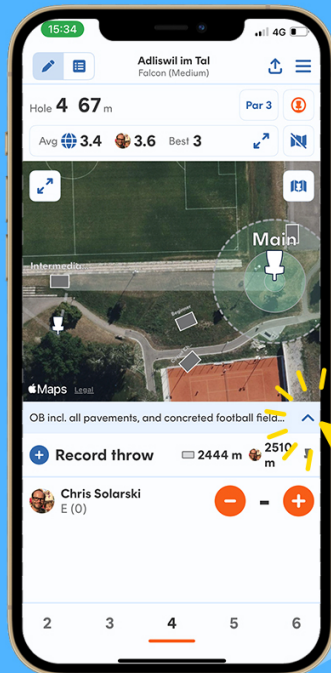

The UDisc Flex league format means that you can tee-off whenever you want between 9:00-17:00, and are free to pick players on your card. Participants can play multiple rounds—the best round counting towards their final score.

If hole 1 is busy, please start at a different unoccupied hole to stagger the rounds, as you would at a tournament.

TEE SIGNS

Detailed tee signs and rule clarifications are featured in the UDisc app. Simply click on the ^ arrow below the map to important information about the hole.

INCLUSIVE COMMUNITY

We strive to create a safe and welcoming space where everyone can enjoy disc golf. Our club warmly welcomes women, families, LGBTQ+ members, beginners, seniors, and players with disabilities. If something makes you feel uncomfortable, please inform our event director, Chris Solarski. This includes concerns about events, communication or marketing. *A welcoming and supportive spirit is essential for the long-term growth of our sport.*

BEGINNERS

No discs or playing alone? Not to worry! Please approach the event director or a member of the Big Birdies. We'll be happy to lend you discs for the duration of the event, and also pair you up with other players.
