REPLAY

WHAT IS "REPLAY"?

The Innova Replay is a fun disc golf event where players have the option to replay a single throw on every hole. It's encouraged! Participants can explore different throwing techniques, recover from bad throws, and take an ace run.

Players may throw their own discs in addition to the player pack discs.

RULES OF PLAY:

1. Use standard disc golf rules, except that players have the option to replay one throw on every hole without penalty.
2. Players may use their own discs as well as the discs from the player pack.
3. All replays must be thrown with one of your player pack discs. You are not forced to use your replay, proceed with your best shot.
4. Score the lowest number of throws it takes to complete the hole. Disregard any extra shot that was not utilized to complete the hole.

Note: The Replay is designed as an unsanctioned event.
