

2025 Urban Forest Open

Rules and Course Layout

General Rules

Out of Bounds (OB)

- If your disc lands OB (no part of the disc is touching in bounds), take your lie where the disc when out of bounds and add a one stroke penalty to your score.
- The walking path and beyond is OB.
- Additional OB is marked with orange spray paint and white flags. The line itself is OB.
- Drop zones for island holes are marked by orange spray paint and pink flags.

Mandatories (Mandos)

- Mandos are marked with pink ribbons.
- If your disc passes on the wrong side of a mando tree, proceed to the marked drop zone near the mando and add a one stroke penalty to your score.

Other

- **People on the walking path have the right-of-way.** When playing a hole near the path, wait until the path is clear/safe before throwing. Use a spotter if necessary.
- If a disc lands on a different hole than the one being played, the higher hole has the right-of-way. Example: If a drive from Hole 1 lands on the fairway of Hole 2, the player on Hole 1 needs to wait for Hole 2 to clear before proceeding to their drive.
- After finishing your round, please proceed to the nearest walking path at the perimeter of the course and take the walking path back to the parking lot. Don't walk through the course as other groups may still be playing.

The following pages contain the course layouts for each round.
