

2026 Memramcook Fundraiser Doubles

Welcome to Disque Golf Memramcook's first BYOP Doubles tournament! This tournament is a fun, unsanctioned fundraiser and a test run for the Crooked River Open, a PDGA c-tier singles tournament held on Sept 19th, 2026. All money raised will be used to build up to 3 more blue tee pads for our September event and keep the fairways trimmed and free of fallen trees. Our team of volunteers has been steadily improving the course hole by hole using feedback from players. The current red layout is complete and active on Udisc. The current blue layout is now complete and active on Udisc.

The tournament will consist of 2 rounds using shotgun start. Round formats posted below.

9:00am – 9:15am - Players meeting

9:30am – 11:45am - Round 1 - Shotgun start - all divisions play best shot all 18 holes

We have now added our first 2 Championship layouts on Udisc:

The Championship 18 – Blue layout will be used by Mixed Pro and AM1 divisions. Round 1 will be best shot doubles. Round 2 will be combined score for holes 1-9 (both players play singles and add the score together) and alternate shot for holes 10-18 for round 2 (alternate shot will be started from each tee pad with each member of the team playing either even numbered holes or odd numbered holes.)

The Championship 18 – Red layout will be used by AM2, AM3, and AM4 for both rounds of the tournament. AM2 division will play best-shot for round 1. AM2 division will play combined score for holes 1-9 (both players play singles and add the score together) and alternate shot for holes 10-18 for round 2 (alternate shot will be started from each tee pad with each member of the team playing either even numbered holes or odd numbered holes.) AM3 and AM4 divisions will play best shot for both rounds.

These formats and divisions were chosen to analyze course data for time, scores, and difficulty for future tournaments based on player skill levels.

Payouts:

Cash payout divisions (\$10 to Memramcook DGC, \$20 lunch, \$20 to payouts top 40%+\$100 cash added split between Mixed Pro and AM1 divisions. If no AM1 division all cash added goes to Mixed Pro)

Merchandise payout divisions (\$10 to Memramcook DGC, \$20 lunch, \$10 to merch out to top 3 (division 10+ teams top 3, division 6-9 teams top 2, division <6 teams 1st place only.) There is \$200 in added merchandise for CTP and longest putt prizes for AM2, AM3, and AM4 divisions. All of these prizes will be up for round 1 only.

OB:

There is only 1 hole with out-of-bounds on both of the current Championship layouts. The metal building roof on hole 3 is the only OB and is only truly in play from the blue pad. Any shot on the roof of this building is OB and is to be taken back to where the disc entered the OB and moved back along the line-of-play, away from the basket, until a safe lie is determined by the players. If a disc enters OB from the right or basket-side of the building please use the 1 metre rule if additional relief cannot be obtained by moving away from the basket.

Hole 4 will have a temporary drop zone at the bottom of the hill for players who have lost a disc in the long grass. After all players on the card searched for the disc for 3 minutes, please go to the temporary drop zone and throw your 3rd shot. This is only used to help with the speed of play.

Long Grass:

All long grass is in bounds. Please watch all drives carefully on holes 4, 5, and 6. There are a lot of rosebushes in the tall grass.

Course Caution:

As with all disc golf courses there is a chance of injury due to rugged terrain, fallen trees, pointy branches, insects, and animals. Please use caution when throwing and searching for discs.

Garbage:

There is one garbage can on the course beside hole 10. We will have garbage bags at HQ for all other garbage and recycling.

Smoking:

This is a casual tournament so there are no restrictions on anything. Please use a can or ashtray for cigarette butts. A lot of our fairways are 6" of dry mulch and could burn very easily.

Lunch:

I will be following different cards around to estimate lunch timing. Lunch will be provided by Freddie Pizza. Please let me know if you have any dietary restrictions. Pizzas will be cheese/veggie, meat lovers, pepperoni. Water bottles will be available on site all day.

\$5 optional ace pot per team and tickets for 50/50 draw will be available on site the day of the tournament. If no aces are hit during the 2 rounds, all players will throw a one shot CTP at the "practice hole" for 50% of the ace pot. The other 50% of the ace pot will be donated to Memramcook Disc Golf Club with all proceeds of the 50/50 draw.
