straight ahead. **CTP (ALL DIVISIONS)**

Hole #17 RED PIN (PAR 3/344 FT) - Throw straight and true or out of bounds will become you; **out of bounds in stream and beyond to the right; left of rock line on the left side is out of bounds; pond in deep is also out of bounds;** pin straight ahead. **LONGEST PUTT (ALL DIVISIONS)**

Hole #18 RED PIN (par 3/233 ft) - Double mando stringer; basket rests in between and just beyond two **MANDO** trees; if disc goes **WIDE** beyond either mando tree and lands clearly behind the said mando lines, player must take penalty stroke from astro turf **DROP ZONE** before rock line; **pond behind pin is out of bounds with stroke taken from where disc went out of bounds if said disc didn't go wide of MANDO lines;** in addition, players must land inside the rock line in front of the basket on tee shot, or, if short of rock line, take penalty stroke from astro turf **DROP ZONE;** **right of the orange painted rock line on the right is also considered out of bounds with penalty stroke taken from where disc went disc went out if said disc didn't cross wide of MANDO line.**
LONGEST PUTT (VETERAN DIVISIONS)

TOTAL LENGTH - 5,285 FT

PAR 57

LOST DISC? Always take penalty stroke after 3 minute group search from where the disc was last thrown from.

TAKING RELIEF? Always behind the disc with group consensus.

OUT OF BOUNDS? Disc is considered out of bounds if it is clearly submerged in stream, completely on road without any disc edge touching, or clearly beyond outer edge of rock line (use string if seen necessary). And, remember to take one meter in from out of bounds when throwing your penalty stroke.
